Client

University of Waterloo

Architect

RHL Architects

Project Completion Date

January, 2009

Type of Contract

Lump Sum

Capital Cost

\$9,500,000

Project Description

The addition will accommodate the school's surge in enrolment to meet the high demand for eye care professionals across the country. Featuring a large atrium, the 2-storey building expansion will enhance the profile of the school while providing additional teaching space and essential student resources.

The project will include a 125-seat lecture theatre, the Witer Learning Resource Centre, a new home for the Museum of Vision Science, as well as student study rooms and computer areas. It will also provide expanded space for the TLC laser centre and a new Founders' Hall.
