**Anaerobic Digesters and Boiler  
Building Extension - Highland Creek  
Toronto, Ontario**

INFRASTRUCTURE

**Client**

The Municipality of Metropolitan Toronto  
Metro Works Department

**Consultant**

Procter & Redfern Limited

**Project Completion Date**

May, 2003

**Type of Contract**

Lump Sum

**Capital Cost**

\$25,400,000

**Project Description**

Stage one of the construction included the movement of the construction equipment onto the site and excavation of the site grounds. The excavation process will continue for a 2 to 3 month period. At the same, a tunnel was constructed from the plant entrance across Beechgorve Drive to the digesters' location.
