York Catholic District School Board

Architect

Saccoccio Wepler Architects Inc.

Project Completion Date

November, 2001

Type of Contract

Lump Sum

Capital Cost

\$8,700,000

Project Description

The project consisted of a phased redevelopment of an existing high school constructed in 1982. The work consisted of two additions and minor renovations to the interior of the existing building. The west addition is 1,718 sm, single storey structure providing a cafetorium, stage, theatre arts, kitchen/ server and student entrance gallery. The east addition is a 2,094 sm, three storey structure providing five classrooms, four computer labs, staffroom and administration offices. The sitework included new drieway, parking areas and site services.
